

IA-IL NDIA CHAPTER DESIGNATED

CHAPTER OF EXCELLENCE

The NDIA Model Chapter Program was established in 2001 to promote the continuing relationship and open communication between National and its chapters. The Chapter of Excellence Program was established in FY 2018 that encourages chapters to strive to reach new and more challenging goals. Chapters are eligible to achieve Model Chapter or Chapter of Excellence status.

Our IA-IL Chapter has applied for and achieved Model Chapter designation for the past 18 years. For FY2019, the Chapter was recognized as a Chapter of Excellence by National – a higher level designation involving meeting additional criteria beyond Model Chapter.
