

CHAPTER HOSTS USO EVENT

On 1 Dec 2021, the Chapter hosted its last 2020 budget funded event, which had been carried forward due to COVID interruptions. The event was at the Naval Center on Arsenal Island. USO's Frank 'n Fridays, with free hot dogs and the fixings, held for years on Arsenal Island at the USO office area remains, but has gone mobile with some of its free food events to now visit surrounding area Guard and Reserve Units. Our prior hosted event was at the Milan Armory. The Milan event and this event at the Naval Center served pizza and not on Friday, to be able to align with the schedule of the activity being visited and be of maximum service benefit. Below are some photos of the event. Representing our IA-IL Chapter serving pizza were John Masengarb and George Rivard. The military were much appreciative of our Chapter's sponsorship of the event.
