

FLOURISH AND BOTS RECEIVES CHAPTER DONATION

Below, Celia Hadden, IA-IL Chapter STEM coordinator, presents a \$500 check to the Flourish and Bots FLL Team #2838 Lead Mentor, Theresa Barber, from Pleasant Valley Community Schools, IA.

The Mission of the Flourish and Bots Project is: “To empower girls in second grade through high school to become leaders in the fields of science, technology, engineering, and math (STEM) through participation in the FIRST progression of programs. Our volunteer team of coaches and mentors helps girls fosters a love of learning and build 21st century skills.”

Pictured below is but a portion of the nearly 40 girls now participating on this FLL Team.
