

IA-IL NDIA Chapter Sponsors Frank'n Friday

Ms. Kim White and George Rivard are ready to serve hot dogs at the 4th of four such events the Chapter sponsored in FY2018. USO of Illinois' Frank'n Friday program is for active duty, guard and reserve military serving on or around the Rock Island Arsenal. The IA-IL Chapter has been an annual sponsor since 2015. We are proud to continue our sponsorship of 4 events in FY 2019. The Frank'n Friday program remains a "big seller" with continued high turn-outs, as shown in the pictures below. These photos were taken all roughly at the same time and is only a snapshot of the high number of participants. The serving time is from 1100 to 1300 with a fairly steady stream of 'customers'. We also had the opportunity to run our "100 Years in 100 seconds" video on a laptop shown in the first picture below; 2019 is the 100th Anniversary of the National Defense Industrial Association. You can view this quite well done video from the News section on this website.
