

“Frank’n Fridays”

Given the military workforce on Arsenal Island on any given day is currently restricted to reduced levels due to COVID, USO of Illinois broadened its geographical presentation of their “Frank ‘n Fridays” and outreach to local Reserve and Guard Units. Our Chapter hosted and participated in one of these events 1 Sep 2021, at the Illinois National Guard Armory in Milan. It wasn’t Friday and it wasn’t Franks – it was Wednesday and it was Pizza!!

“The Crew”

Ready to serve a variety of different pizza offerings, along with soft drinks and cookies.

Enjoying the pizza lunch and the comradery.
