Thursday, June 4, 2015 8:00- 9:30AM Upper Concourse

Business/Firm Name: DynCorp International

Contact Person: Debbie Newberry

Address: 13500 Heritage Parkway City: Fort Worth State: TX Zip: 76177

Day Phone: 817-224-1303 Cell Phone: _____ E-mail: Debbie.newberry@dyn-intl.com

Participant appointments are 12 minutes each. Participants will register for Matchmaking on Wednesday, June 3, 2015 in the morning, scheduled on first-come, first-served basis. In order to provide you with the best targeted matches, please provide detailed answers to the following questions:

1. Indicate your current interest/involvement in any specific Government procurement activity (Examples: Army Enhanced Acquisition for Global Logistics Enterprise (EAGLE), Logistics Civil Augmentation Program (LOGCAP), Military vehicle or systems manufacturing, Research and Development). **DynCorp International is currently performing under both LOGCAP and EAGLE.**
2. What is your primary industry sector? Manufacturing Services
3. Specific socioeconomic groups you are currently targeting? **All SB Categories – SB, SDB, WOSB, HUBZone, VOSB, SDVOSB**
4. What are your current procurement/subcontracting/potential partnership needs? Please be as specific as possible, and if you list NAICS codes, please also provide a short description. **Opportunities for small businesses are ongoing and cover a wide range of services and commodities. DI is always seeking SB suppliers to support OCONUS work. Labor Services for a variety of services to support FOBs – examples: vehicle maintenance, food services, waste management, medical services, laundry services, construction capabilities/site build-up, facilities management; etc.**
5. Would you prefer that potential suppliers sign up in your supplier database prior to meeting with you? If, so please provide link and any specific instructions. **YES – Do your homework – www.dyn-intl.com – know the type of work DynCorp International does and the customers and locations we support. Determine where you believe the fit is to work together. Register/Enter your company's profile and capabilities on DI's Supplier Database, <http://supplierdb.dyn-intl.com> – use it like your resume to stand out from others that do what you do. The database is shared across our company and is a resource for conducting market research to identify suppliers. Contact the SBLO for more information – Debbie.Newberry@dyn-intl.com, 817-224-1303.**
6. Do you have any specific operational, technical or certification requirements you prefer in suppliers? Examples would be ISO, Lean practices, financial resources or accounting systems, specific inventory systems etc. **Desirable certifications are ISO9001, Lean practices to lean out waste to be more cost effective; DCAA/DCMA-approved systems are desirable – Property, Procurement, etc. We are always seeking SB suppliers to support OCONUS locations. Suppliers will alliances with OCONUS suppliers; OCONUS repair facilities, etc. Opportunities for small businesses are ongoing and cover a wide range of services and commodities.**
7. Do you have any ongoing sourcing, research or supply issues that you have had difficulties obtaining? **Always seeking SB suppliers to support OCONUS locations; business licenses in OCONUS locations are desirable, but does not eliminate suppliers from consideration.**
8. Is there any additional information, specific to your company that you would like potential matchmaking companies to know or prepare for? **Opportunities for small businesses are ongoing and cover a wide range of services and commodities. While we support a lot of OCONUS locations, typically in austere environments, we support U.S. locations as well. We are looking for suppliers that are cost effective, meet quality requirements and delivery schedules.**
